

**SEVA : SERVING COMMUNITY AS**

**VASUDHAIVIKAM KUTUMBAKAM**

“It is a privilege to serve mankind, for this is the worship of God. God is here, in all these human souls. He is the soul of man.”

-

**Swami Vivekananda**

**Goal:**

Government Degree College, Tuni has always held the idea of social service and responsibility, as per our vision in its mandate to all undergraduate students to engage in community service activities. Our SeVa Practice brings all of the extension activities initiated by the college and executed by different student bodies. The major objectives are:

- To sensitize students on the socio-economic structure of the society
- To arouse the spirit of common interest to participate collectively for social cause.
- To modify the students behavior so that they make a difference in society.
- To create a community of selfless, caring and committed individuals.

## The Context :

**SeVa** program of our institution, in its aim to bring all the extension activities of the college under one umbrella, which houses the student bodies such as National Service Scheme (NSS) highlighting their community service activities. Other than regular prescribed activities of NSS, the college has introduced many schemes to reach out to the community it is catering to which are also categorized under. It is observed that educational institutions through their organized student bodies are able to cater to the needs of the societies during calamities. Under **SeVa**, work is equally distributed to all the students and as a result the number of beneficiaries addressed is multifold.

## The Practice :

The institution with its vision and mission emphasizes social values to groom the students as socially responsible members of the society. To achieve the same, the College mandates the students to enroll in any one of extension programmes like NSS keeping with their disposition to any one of these service units.

As a part of STEM(Science Technology Engineering and Mathematics) -a Government of India initiative, the Dept. of Mathematics organized Voluntary classes by the students of the college in Chepuru Village High School to sensitise the students how to create an impression on mathematics and how to develop their mathematical abilities.

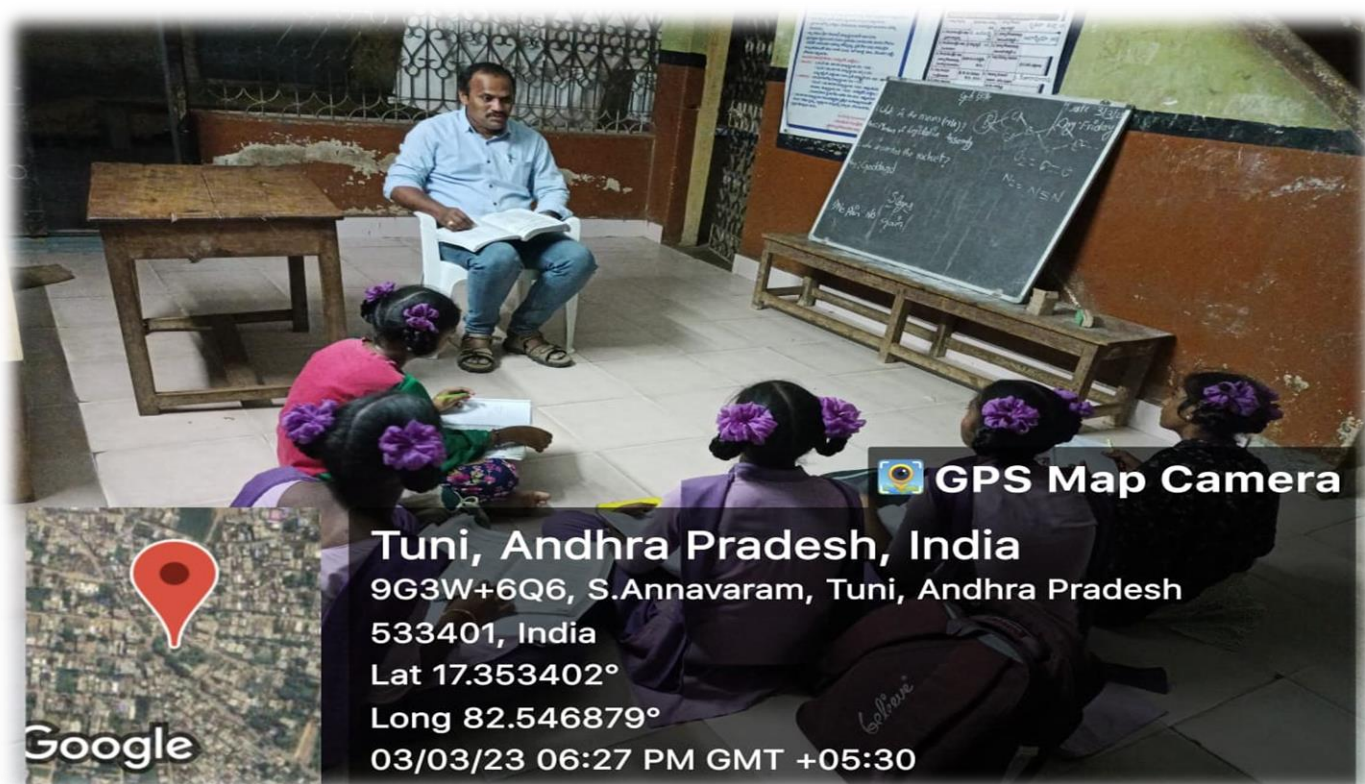

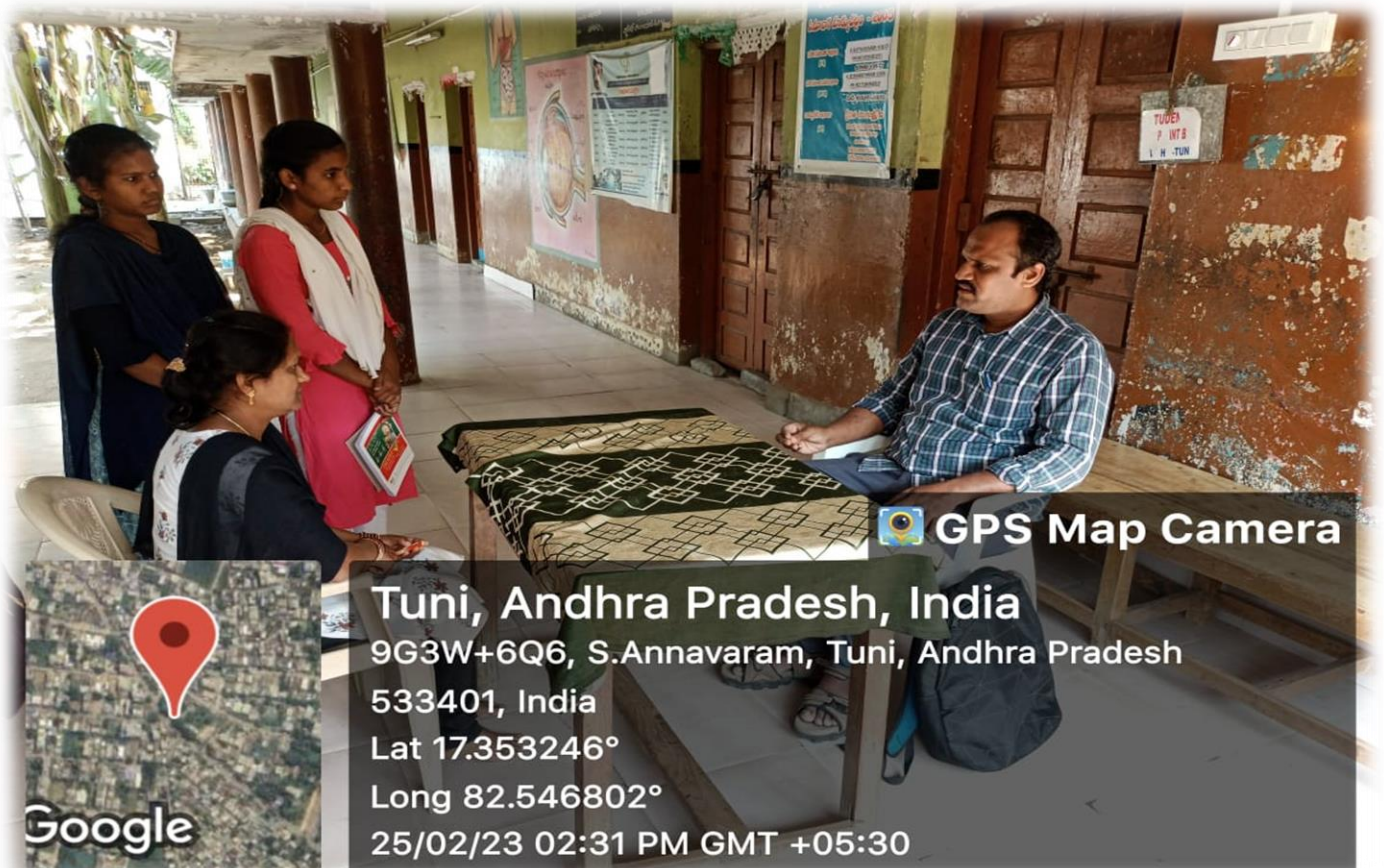

As a part of STEM-a GOI initiative, the Dept. of Chemistry conducted Voluntary classes by the faculty to help Junior College students on improving their scientific temper.

## Green Initiatives :

As a part of Green Initiative, The college Botany dept. and NSS units collectively participated in plantation program and so many plants were planted in college campus as well as in the adopted villages. The field exposure helps the students not only to learn and respect the culture, the traditions, and the values of people, but also to understand the problems and the difficulties faced by the people, stimulating social awakening in them. All the extension programmes of the College, thus, provide experiential learning to the students which in turn help the communities to gain social, economic and environmental returns.

Staff and Students involved themselves in tree plantation to protect environment, free medical camps, free eye screening camps and blood donation camps to help in medical aid are held to serve the neighborhood community.

## Serving the Needy and Poor:

The College initiated another best practice: “**The Joy of Sharing –Guppedu Biyyam**” ( A Handful of Rice). The institution encourages students, faculty to contribute a handful of rice on second Wednesday of every month. The collected rice will be donated to old age home along with clothes, fruits etc. The institution provides the opportunity to experience themselves the joy of sharing.

The NSS Unit Distributed masks in the campus by in post Covid period shows the responsibility, caring towards students' health and hygiene. The college staff and students involved in Distribution of blankets, clothes for poor, homeless people.

By involving the students who are voluntarily participated in distribution of blankets program, we can inculcate the habit of service motto in their minds and developing helping nature in their young minds.

## Evidence of Success:

With the advent of this best practice titled **SeVa**, the entire college staff and students feel that it's a great privilege for all as some extent helping the needy people in offering their hand directly and voluntarily which may not be possible the same kind of offering and extending the cooperation in case of some other organizations. Hence, we are all fortunate and feel ceaseless joy. This practice also made a drastic change in the minds of the youngsters of the college and thus several students come forward and actively involving and they are also eager to adopt and implement such kind of service motto programs further.

## Problems Encountered & Resources Required

### Problems Encountered:

- Creating awareness in the students about the socio-economic status of the society they are catering to.
- Encouraging them to step out from their comfort zones to reach out to the society.
- Initial hesitation to stay back beyond college hours.
- Continuous motivation is required as the students are capable of losing their confidence when things don't go in the expected way.
- Monitoring the safety of the students when they go out into the community.

### Resources Required:

- Dedicated staff and assistants to help implement the schemes and conduct events
- Arranging conveyance for the students whenever they have to go into the villages
- As the protocol demands the contact of local authorities is required to get permission for organizing camps
