## Guiding Entrepreneurs:

The institution encourages students not only to absorb current knowledge but also to be enterprising and try to create new knowledge, products and ideas. The Incubation cell which has been setup to conduct activities for innovations and other initiatives for the creation and transfer of knowledge. Most important among these are; Incubation-Cell organizes various initiatives by new and established entrepreneurs (including our alumni) about the practical aspects of starting an enterprise and the problems and challenges they faced in their journey. The cell supports innovative ideas and helps the students getting access to funds for putting their ideas into practice. The Incubation cell at the institution encourages students to come with innovative ideas and provides encouragement to them to implement their ideas into reality. In this process we brainstorm their ideas and convert their idea into a prototype. We help them in every aspect from purchasing domain name which suites to their business and provide technical support in implementing and hosting it. We guide them to host and maintain their application into cloud environment. We also promote their application, so that they can be successful in revenue

The incubation cell of the college always trying their level best to encourage the innovative ideas of the students and the staff of the college also strive hard in implementing their ideas and transforming them in well-known entrepreneurs.

Department of Computer science of this college also encourages their students to become entrepreneurs in the field of Computers with cutting-edge technologies through which they can establish their own business strategies in procuring online business platform which also gives a tremendous response from the citizens in establishing various e-commerce web portals like Cheneta.in, etuka.in.

The department of Computer science is continuously encouraging the techies to develop themselves through various digital marketing platforms and providing constant support for such entrepreneurs. It's one of the enormous achievements for this college for having such cheering team in the department.

## **Problems Encountered and Resources Required:**

### **Problems Encountered:**

- Encouraging students to step out from their comfort zones to extend their study hours.
- Initial hesitation to stay back beyond college hours.
- Continuous motivation is required as the students are capable of losing their confidence when things don't go in the expected way.
- Getting wider participation in the job drives is a major challenge
- Insufficient financial resource to venture into big ideas.

### **Resources Required:**

- Special orientation classes form teachers community of different areas.
- Local Media support is required to reach in wider spectrum.
- More financial resource to support innovative ideas.
