BEST PRACTICES
DEGREE COLLEGE

FAME : FINANCIAL APPRECIATION FOR MERIT

Goal:

A small act of praise can go a long way.

- Encourage Students to perform better in academics.
- Promote competitive spirit.
- Overall result improvement.

Context:

Rewards and recognition can always be exciting. There is no doubt that it is a confidence builder and an inspiration to perform better. When all our efforts receive the rewards and recognition it deserves, it brings a sense of satisfaction to our minds. Teachers can give rewards and recognition to their students to improve their academic performance and it can help in the personality development of students. Moreover, it helps to cultivate a healthy competition in the minds of students.

The Practice:

To appreciate the students of the institution, regularly praises students with cash rewards to class toppers in Semester end examinations. Every year one or other department done this.

Institutional Contributions to Merit :

The college also identifies the talented students in their studies and encourage them with certain rewards to build their confidence levels at higher rate and encourage their talent to reach its highest level with competitive spirit. In this process, few of them are rewarded with Gold Medals on the occasion of Annual Day Celebrations and some of them are awarded mementoes

Faculty Contributions to Merit Students

Many faculty members rewarded them with financial assistance and various needy tools for the meritorious students like laptops, mobiles, pen drives etc... for their continuous efforts and also gives inspiration to other students also.

Evidence of Success:

With the inception of the concept of **FAME (Financial Appreciation for Merit)**, the students develop their Competitive spirit and have been involving in various competitive examinations and adopt a habit of participation in various events and activities with robust confidence to achieve their goals in every attempt they are making besides continuing their efforts in the existing educational phenomena.

Problems Encountered:

- Financial resources are limited and the rewards doesn't meet the inflation.
- Getting wider participation from other bodies for funds.

Resources Required:

- More financial resource to reward.
