## **Best Practices – 2020-21**

### **1. TITLE OF THE PRACTICE: VEHICLE FREE DAY**

- Understanding the impact of Pollution.
- It is the motto to avoid pollution in the campus at least twice in a month
- Creating Awareness on Protecting Environment to students
- Importance of optimum Fuel consumption.

### **OBJECTIVES:**

Now a days, use of Vehicles became more and more in practice. Particularly, use of two wheelers are at the highest rate. In this crucial situation, it is our primary responsibility to save our environment. Most of the people are from rural areas and lack of awareness on protecting the environment. So, initiated a practice of vehicle free day in the institution through which they are sensitised and can create awareness on protecting environment.

- To reduce the pollution
- To protect environment
- To save fuel

### **CONTEXT:**

The Educational Institutions are temples of learning to impart knowledge to the students and also inculcate best practices of the institution to develop their skills and providing thorough awareness on environmental protection issues. In this context, the institution has initiated to implement the environment securing practice through the program titled Vehicle Free Day. In this program, the institution is strictly implementing the rule that no one is allowed into the campus through their vehicles (Two wheelers & Four wheelers) particularly on I & III Saturday of every month..

**PRACTICE:**

Through this practice, the institution is trying to create sufficient awareness on the effect of pollution of air caused due to the fuel consumption in vehicles. So, through this program, the students can understanding the effect of pollution on the environment and they in turn, enlighten the others in their domicile areas. Thus they will join the hands of reducing the pollution and thereby protecting the environment.

**Picture :**

**Evidence of Success :**

Staff and students are strictly observing the first and third Saturdays of every month as Motor Vehicle Free Day. On that days, the campus will be free from Air and Sound Pollutions. The entire campus is calm and peaceful. The students pay much concentration towards their Academics. The environment of the campus will be clean and fuel can also be saved to some extent.

## **2. TITLE OF THE PRACTICE: SINGING OF NATIONAL SONG AND NATIONAL ANTHEM**

- ❖ Understands the importance of National Anthem and National Song
- ❖ Inculcating patriotism in the students
- ❖ Creates brotherhood among the students
- ❖ Helps in understanding the concept of Unity in Diversity
- ❖ Promotes unity among the students

### **Objective:**

It is very important that one should be loyal and respect towards their nation. For moulding them into good citizens, creating the awareness of their duties, students must understand the importance of the National Anthem and National Song. In this context, the institution is initiated to implement the system of singing of National Song and National Anthem before Commencement and after closure of the class work.

### **Context:**

The aim of every educational institute is to cater the educational needs of the student community and mould them into good citizens. In this context, it is the responsibility of every educational institution to guide the students to know their fundamental duties. The institution has to inculcate the Patriotism among the student and promote the brotherhood among them. As a Citizen of India, the students will understand that the primary responsibility to show their gratitude towards the Nation. So, the concept of Singing of National Song and National Anthem every day in the institution was started.

**Practice:**

As a part of education to the students of GDC(A), TUNI, regularly organises every morning on the working days of the institution, sharply at 9:55 AM, the most valuable National Song, “Vandemataram” and in the evening sharply at 5:00PM, the National Anthem were sung by all the students and staff of the college.

**Picture :**

**Evidence of Success :**

Staff and students are in complete attention mode while playing the National Song and National Anthem in the Campus. The literature of these two songs makes them understand the Unity in Diversity of India and promotes unity among them in the campus. As the students were in complete standstill position during the playing of these songs, discipline levels are also increased
